PARTNERING TOGETHER TO MAKE HISTORY

For nearly three decades, God has used Horizons International to serve some of the least-reached populations on the planet—and for the first time in history, we see them crying out for hope in Christ. God has called us to **Proclaim the Gospel, Disciple the Nations, and Equip the Church**—and as you know, through our work together he has brought forth a plentiful harvest!

As a member of the Horizons International family, you embody our values and mission. You provide the spiritual, practical, and financial support that enables us to spread Christ into the darkest places. **Now the harvest is at its greatest point in history**, and together we are poised to reap it. You will learn more in our upcoming Vision 2020 newsletter about how God is empowering Horizons' strategic initiatives such as these:

Middle East Center Expansion

The newly-launched MEC in Beirut has reached capacity. This year, we will reveal the next phase of expansion to train more witnesses for the gospel.

Cubs to Lions Expansion

CTL is going global with new curricula, events, and online resources to increase the impact of its effective discipleship model for Muslim converts.

30th Anniversary Banquet – May 30, 2020

You are invited to break bread with us as we celebrate three decades of God's work! **RSVP now:** www.horizonsinternational.org/banquet

Thank you for your support in this pivotal time. **We celebrate the works of God** and look forward to the abundant partnership opportunities for our future together.

We have a favor to ask of you:
SPREAD THE GOOD NEWS!

You are already a supporter of Horizons—but you have loved ones who aren't!

If you are inspired by what God is doing through Horizons, then those closest to you will be too. We launched our **#MeAnd3** campaign to help you do one simple thing:

SHARE HORIZONS WITH 3 PEOPLE YOU KNOW.

It's that easy! God grows and enriches our ministry as partners like you find opportunities to make their biggest impact. Missionaries gain their passion to serve, churches engage and grow, staff members launch their ministry careers, and supporters share in the rewards of fruitful investment. **Our strength is in God. Our effectiveness is in partnership.**

HOW CAN YOU SHARE?

- **Social Media:** Follow and friend us on Facebook, Instagram, and Twitter (@HorizonsPDE). Then tag people in your network on our posts, or repost our content.
- **Horizons International Blog:** Subscribe to our blog for in-depth ministry updates, and share links with people you know.
- **On the Horizon:** Share our bi-monthly newsletter with your friends and family, in paper or digital form.

These aren't the only ways to help, but these simple actions can make a bigger impact than you may know. As we co-labor to spread the gospel, we hope you will spread the word about Horizons. Your help now will bring forth a multitude of blessings in 2020, and set our trajectory for a landmark year.
